

Automated License Plate Readers (ALPRs)

432.1 PURPOSE AND SCOPE

Best Practice MODIFIED

The purpose of this policy is to provide guidance for the capture, storage and use of digital data obtained through the use of Automated License Plate Reader (ALPR) technology.

432.2 POLICY

Best Practice

The policy of the Anderson Police Department is to utilize ALPR technology to capture and store digital license plate data and images while recognizing the established privacy rights of the public.

All data and images gathered by the ALPR are for the official use of this department. Because such data may contain confidential information, it is not open to public review.

432.3 ADMINISTRATION

Best Practice MODIFIED

The ALPR technology, also known as License Plate Recognition (LPR), allows for the automated detection of license plates. It is used by the Anderson Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons. It may also be used to gather information related to active warrants, homeland security, electronic surveillance, suspect interdiction and stolen property recovery.

All installation and maintenance of ALPR equipment, as well as ALPR data retention and access, shall be managed by the Field Services Lieutenant. The Field Services Lieutenant will assign members under his/her command to administer the day-to-day operation of the ALPR equipment and data.

432.3.1 ALPR ADMINISTRATOR

State MODIFIED

The Field Services Lieutenant shall be responsible for developing guidelines and procedures to comply with the requirements of Civil Code § 1798.90.5 et seq. This includes, but is not limited to (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) A description of the job title or other designation of the members and independent contractors who are authorized to use or access the ALPR system or to collect ALPR information.
- (b) Training requirements for authorized users.
- (c) A description of how the ALPR system will be monitored to ensure the security of the information and compliance with applicable privacy laws.
- (d) Procedures for system operators to maintain records of access in compliance with Civil Code § 1798.90.52.

Anderson Police Department

Anderson PD Policy Manual

Automated License Plate Readers (ALPRs)

- (e) The title and name of the current designee in overseeing the ALPR operation.
- (f) Working with the Custodian of Records on the retention and destruction of ALPR data.
- (g) Ensuring this policy and related procedures are conspicuously posted on the department's website.

432.4 OPERATIONS

State **MODIFIED**

Use of an ALPR is restricted to the purposes outlined below. Authorized ALPR users shall not use, or allow others to use the equipment or database records for any unauthorized purpose (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

- (a) An ALPR shall only be used for official law enforcement business.
- (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.
- (c) ALPR searches by department members should include the name and case/log number associated with the investigation.
- (d) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.
- (e) No authorized ALPR user shall operate ALPR equipment or access ALPR data without first completing department-approved training.
- (f) No authorized ALPR operator may access department, state or federal data unless otherwise authorized to do so.
- (g) If practicable, the Officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

432.5 DATA COLLECTION AND RETENTION

Best Practice **MODIFIED**

The Field Services Lieutenant is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

All ALPR data downloaded to the server should be stored for a maximum of 30 days and/or in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances, the applicable data should be downloaded from the server onto portable media and booked into evidence.

432.6 ACCOUNTABILITY

State **MODIFIED**

All data will be closely safeguarded and protected by both procedural and technological means. The Anderson Police Department will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

- (a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).
- (b) Members approved to access ALPR data under these guidelines are permitted to access the data for legitimate law enforcement purposes only, such as when the data relate to a specific criminal investigation or department-related civil or administrative action.
- (c) ALPR system audits should be conducted monthly by the Field Services Lieutenant,

For security or data breaches, see the Records Release and Maintenance Policy.

432.7 RELEASING ALPR DATA

State **MODIFIED**

The ALPR data may be shared only with public agencies and only as otherwise permitted by law (Civil Code § 1798.90.55).

For purposes of this section, a public agency data sharing is limited to California state or local agencies, including law enforcement agencies, and does not include out-of-state or federal law enforcement agencies (Civil Code § 1798.90.5). In accordance with California Senate Bill 34, the Anderson Police Department shall not release any ALPR data with out-of-state and federal agencies.

Requests for ALPR data by non-California public agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

432.8 TRAINING

State

The Training Manager should ensure that members receive department-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).
